Chapter IX—Agricultural Marketing
Service (Marketing Agreements and
Orders), Department of AgriculturePART 937—NECTARINES GROWN
IN CALIFORNIADetermination Relative to Expenses
and Fixing of Rate of Assessment
for 1959-60 Fiscal Period and
Carryover of Unexpended Funds

Notice was published in the May 27, 1959, issue of the FEDERAL REGISTER (24 F.R. 4263) that consideration was being given to proposals regarding the expenses and the fixing of the rate of assessment for the fiscal period ending February 29, 1960, under the Marketing Agreement and Order No. 37 (7 CFR Part 937, regulating the handling of nectarines grown in California, effective under the applicable provisions of the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601-674). After consideration of all relevant matters presented including the proposals set forth in such notice which were submitted by the Nectarine Administrative Committee (established pursuant to said marketing agreement and order), it is hereby found and determined that:

§ 937.202 Expenses and rate of assessment for the 1959-60 fiscal period.

(a) *Expenses.* The expenses that are reasonable and likely to be incurred by the Nectarine Administrative Committee, established pursuant to the provisions of the aforesaid marketing agreement and order, to enable such committee to perform its functions, in accordance with the provisions thereof, during the fiscal period beginning March 1, 1959, and ending February 29, 1960, will amount to \$112,000.

(b) *Rate of assessment.* The rate of assessment, which each handler who first handles nectarines shall pay as his pro rata share of the aforementioned expenses in accordance with the applicable provisions of said marketing agreement and order, is hereby fixed at four cents (\$0.04) per standard lug box, or equivalent quantity of nectarines in other containers or in bulk so handled by such handler during such fiscal period.

(c) *Reserve.* Unexpended assessment funds, in excess of expenses incurred during the fiscal period ending February 29, 1960, shall be carried over as a reserve in accordance with the applicable provisions of § 937.42 of said marketing agreement and order.

It is hereby further found that good cause exists for not postponing the effective time hereof until 30 days after publication in the FEDERAL REGISTER (5 U.S.C. 1001-1011) in that (1) shipments of nectarines are now being made; (2) the rate of assessment is applicable to all nectarines shipped during the aforementioned fiscal period; and (3) it is essential that the specification of assessment rate be issued immediately so as to enable the said Nectarine Administrative Committee to perform its duties and functions in accordance with said marketing agreement and order.

Terms used in the marketing agreement and order shall, when used herein, have the same meaning as is given to the respective term in said marketing agreement and order, and "standard lug box" shall mean the No. 26 standard lug box set forth in section 828.4 of the Agricultural Code of California.

(Secs. 1-19, 48 Stat. 31, as amended; 7 U.S.C. 601-674).

Dated June 11, 1959, to become effective upon publication in the FEDERAL REGISTER.

Acting Director, Fruit and Vegetable Division, Agricultural Marketing Service.

[Lemon Reg. 795, Amdt. 1]

PART 953—LEMONS-GROWN IN CALIFORNIA AND ARIZONA

Limitation of Handling

(a) *Findings.* (1) Pursuant to the marketing agreement, as amended, and Order No. 53, as amended (7 CFR Part 953), regulating the handling of lemons grown in California and Arizona, effective under the applicable provisions of the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601 et seq.; 68 Stat. 906, 1047), and upon the basis of the recommendation and information submitted by the Lemon Administrative Committee, established under the said amended marketing agreement and order, and upon other available information, it is hereby found that the limitation of handling of such lemons as hereinafter provided will tend

to effectuate the declared policy of the act.

(2) It is hereby further found that it is impracticable and contrary to the public interest to give preliminary notice, engage in public rule-making procedure, and postpone the effective date of this amendment until 30 days after publication hereof in the FEDERAL REGISTER (60 Stat. 237; 5 U.S.C. 101 et seq.) because the time intervening between the date when information upon which this amendment is based became available and the time when this amendment must become effective in, order to effectuate the declared policy of the Agricultural Marketing Agreement Act of 1937, as amended, is insufficient, and this amendment relieves restriction on the handling of lemons grown in California and Arizona.

(b) *Order, as amended.* The provisions in paragraph (b) (1) (ii) of § 953.902 (Lemon Regulation 795, 24 F.R. 4614) are hereby amended to read as follows:

Title 14—AERONAUTICS AND SPACE

Chapter II—Civil Aeronautics Board

SUBCHAPTER B—ECONOMIC REGULATIONS

[Reg. ER-272]

PART 263—PARTICIPATION OF AIR CARRIER ASSOCIATIONS IN BOARD PROCEEDINGS

Adopted by the Civil Aeronautics Board at its office in Washington, D.C., on the 10th day of June 1959.

Rule 302.4(b) of the procedural regulations provides that any document filed by a party to an economic proceeding before the Board may be signed by such party, its duly authorized officer, or its attorney-at-law of record without any further formality. The rule also permits documents to be signed "by any other person," but in such cases the rule requires that the reason therefor be stated and that such person's authority be shown.

Associations of air carriers have frequently filed documents signed by them on behalf of their members without complying with Rule 4(b). Recently, documents which have failed to show compliance with Rule 4(b) have been rejected. In one instance, an attorney employed on the full-time staff of an air carrier association purported to act as the attorney of record for certain member carriers as a means of showing compliance with Rule 4(b). The documents filed were also rejected by the Board. In

other cases, associations of air carriers have contended that their intended participation in Board proceedings was on their own behalf only and not on behalf of any of their members. There have also been situations where associations have submitted "association views" on matters affecting the conflicting interests of some of their member carriers.

In view of the numerous problems which have arisen in connection with Rule 4(b), the Board intends to clarify the proper scope of action of air carrier associations and their staffs in participating in proceedings before the Board. This problem affects both the Board's adjudicatory and rule-making functions.

The Board considers it necessary for the performance of its statutory duties that it should have access to, and the benefit of, the uninhibited expression of the candid views and positions of the individual air carriers. The regulatory scheme of the Act with its reliance on air carriers' enlightened economic self-interest as a motive force in the development of an adequate air transportation system presupposes that each air carrier will feel entirely free to present to the Board its own position in any kind of proceeding in which it may participate. It is clear, therefore, that the interposition between an air carrier and the Board of an intermediary who may have an interest other than to present that carrier's position interferes with the Board's operations and the statutory scheme. Associations and their staff members as intermediaries are likely to be under this handicap whenever the membership of the association is not entirely of one mind on some issue involved in the proceeding. Moreover, there may be a conflict between the association's duties vis-a-vis various members and a suppression or glossing over of views which would otherwise have been expressed by individual air carriers. Attempts by air carrier associations to bring about a unified position of their members vis-a-vis other groups of air carriers or persons whose economic interest conflicts with that of association members appear prima facie to be contrary to antitrust principles.

The Board is therefore adopting Part 263 of its economic regulations to provide that associations of air carriers may participate in Board proceedings only if their articles of association contain provisions approved by the Board authorizing such participation and the Board upon motion or upon its own initiative grants leave therefor. Permission ordinarily will be granted (1) where the issues substantially affect the property or financial interests of the association as opposed to an interest derivative from its members, (2) where the association acts as a conduit to the Board of factual information gathered from the members, as distinguished from presentation of opinions or positions on issues, or (3) where the association represents certain named members at their request and a copy of a resolution authorizing such participation and signed by each such carrier is submitted to the Board, subject to subsequent challenge on the

ground that there is a significant diversity of interest or opinion between the members of the association. The Board does not construe provisions in articles of association which generally provide for the association's acting in the members' interest as authorizing the association to participate in Board proceedings.

This regulation is applicable only to those groups or associations which are subject to the provisions of section 412 of the Act. Thus it is not applicable to associations of pilots, aircraft owners, airport operators, aircraft manufacturers, and chambers of commerce. Nor is this regulation applicable to associations having air carrier members only of a class whose members are exempted from section 412 in dealing with one another. Any air carrier may, of course, participate in Board proceedings in which it has a legitimate interest and be represented by counsel or other person of its choice.

This regulation involves matters of agency procedure and practice and a statement of general policy, and the Board finds it to be in the public interest to remove existing uncertainty in this field by early promulgation of this regulation. Notice and public proceedings hereon are therefore not required and the regulation may be made effective upon publication in the *FEDERAL REGISTER*. The Board recognizes, however, that interested persons may desire to submit comments on this regulation and therefore will receive such comments if ten copies thereof are submitted to the Docket Section of the Civil Aeronautics Board, Washington 25, D.C., on or before July 16, 1959. The Board will re-evaluate the regulation in the light of any comments so received.

Accordingly, the Civil Aeronautics Board hereby adopts Part 263 of the economic regulations to read as follows, effective June 16, 1959.

Sec.

263.1 Definitions.

263.2 Approval of articles of association relating to participation in Board proceedings.

263.3 Leave for participation of air carrier associations in Board proceedings.

AUTHORITY: §§ 263.1 to 263.3 issued under sec. 204(a), 72 Stat. 743; 49 U.S.C. 1324. Interpret or apply sections 102, 412, and 1001 of the Federal Aviation Act of 1958, 72 Stat. 740, 770, 788; and section 3(a) of the Administrative Procedure Act, 60 Stat. 238; 49 U.S.C. 1302, 1382, 1481; 5 U.S.C. 1002.

§ 263.1 Definitions.

For the purposes of this part, (a) Air carrier association means an association composed entirely or in part of air carriers which are not exempted from the provisions of section 412 of the Act in respect of relationships between one another.

(b) Board proceedings means any proceedings of the Board to which the Board's procedural regulations apply.

§ 263.2 Approval of articles of association relating to participation in Board proceedings.

The Board considers it adverse to the public interest, and contrary to the

policy of the Federal Aviation Act, for an association created by agreement subject to approval under section 412 of the Act, its officers or employees, to participate in Board proceedings unless the articles of association contain provisions approved by the Board authorizing such participation, and the Board upon motion or upon its own initiative grants leave therefor. The Board therefore will approve only such provisions as provide for participation of the association in Board proceedings under the following circumstances:

(1) Where the issues substantially affect the property or financial interests of the association as opposed to an interest derivative from its members;

(2) Where the association acts as a conduit to the Board of factual information gathered from the members, as distinguished from presentation of opinions or positions on issues; or

(3) Where the association represents certain named members at their request and a copy of a resolution authorizing such participation and signed by each such carrier is submitted to the Board.

§ 263.3 Leave for participation of air carrier associations in Board proceedings.

An air carrier association, its officers or employees may participate in Board proceedings only if its articles of association or by-laws contain provisions approved by the Board under section 412 of the Act authorizing such participation, and if the Board upon motion or upon its own initiative grants leave therefor. Leave ordinarily will be granted under the following circumstances:

(1) Where the issues substantially affect the property or financial interests of the association as opposed to an interest derivative from its members. In passing on motions for formal intervention of associations of air carriers in economic adjudicatory proceedings under § 302.15 of the procedural regulations, the Board will be guided by the provisions of this section;

(2) Where the association acts as a conduit to the Board of factual information gathered from the members, as distinguished from presentation of opinions or positions on issues; or

(3) Where the association represents certain named members at their request and a copy of a resolution authorizing such participation and signed by each such carrier is submitted to the Board: *Provided*, That upon motion of any interested person or upon its own initiative the Board may issue an order requiring the association to withdraw from the case on the ground of significant diversity of interest or position in respect of issues in the proceeding between the members represented and other members of the association.

By the Civil Aeronautics Board.

Acting Secretary.

**SUBCHAPTER C—PROCEDURAL REGULATIONS
PART 301—RULES OF PRACTICE IN
AIR SAFETY PROCEEDINGS**

**Participation of Air Carrier
Associations**

Adopted by the Civil Aeronautics Board at its office in Washington, D.C., on the 10th day of June 1959.

Concurrently herewith the Board is promulgating a new Part 263 of its economic regulations. As stated in the preamble to Part 263 which hereby is incorporated herein, Part 263 lays down the rules for participation of "air carrier associations" as defined therein in proceedings before the Board.

Among the Board proceedings to which Part 263 is thus made applicable are the air safety proceedings regulated in this part. It appears to the Board that for the sake of clarity Part 263 should be cross-referenced in this part. The Board therefore is amending § 301.2 *Applicability of part*, by adding a sentence calling attention to the provisions of Part 263.

Since this amendment merely inserts a cross-reference in a procedural regulation of the Board, notice and public procedure hereon are not required, and this amendment may be made effective immediately.

Accordingly, the Board hereby amends, effective June 16, 1959, § 301.2 of Part 301 of its procedural regulations by adding thereto a sentence to read as follows: "The provisions of Part 263 of the economic regulations are applicable to participation of air carrier associations in proceedings under this part."

(Sec. 204(a), 72 Stat. 743; 49 U.S.C. 1324. Interpret or apply secs. 602, 609, 1001, 72 Stat. 776, 779, 788; 49 U.S.C. 1422, 1429, 1481)

By the Civil Aeronautics Board.

**PART 302—RULES OF PRACTICE IN
ECONOMIC PROCEEDINGS**

**Participation of Air Carrier
Associations**

Adopted by the Civil Aeronautics Board at its office in Washington, D.C., on the 10th day of June 1959.

Concurrently herewith the Board is promulgating a new Part 263 of its economic regulations. As stated in the preamble to Part 263 which hereby is incorporated herein, Part 263 lays down the rules for participation of "air carrier associations" as defined therein in proceedings before the Board.

Among the Board proceedings to which Part 263 is thus made applicable are the economic proceedings regulated in this part. It appears to the Board that for the sake of clarity Part 263 should be

cross-referenced in this part. The Board therefore is amending § 302.1 *Application and description*, by adding a sentence calling attention to the provisions of Part 263.

Since this amendment merely inserts a cross reference in a procedural regulation of the Board, notice and public procedure hereon are not required, and this amendment may be made effective immediately.

Accordingly, the Board hereby amends, effective June 16, 1959, § 302.1 of Part 302 of its procedural regulations by inserting a sentence following the first sentence of paragraph (a) of said section, and amending the next following sentence, to read as follows: "The provisions of Part 263 of the economic regulations are applicable to participation of air carrier associations in proceedings under this part. However, there are exceptions to the applicability of this part with respect to two classes of proceedings: * * *"

(Sec. 204(a), 72 Stat. 743; 49 U.S.C. 1324. Interpret or apply sec. 1001, 72 Stat. 788; 49 U.S.C. 1481)

In the Matter of Malvin & Shafran, Inc., a Corporation, and Myron H. Malvin, and Abraham Shafran, Individually and as Officers of Said Corporation

This proceeding was heard by a hearing examiner on the complaint of the Commission charging a Los Angeles furrier with violating the Fur Products Labeling Act by failing to comply with invoicing requirements, by advertising in letters to a customer which represented prices of fur products as reduced from purported regular prices, which were in fact fictitious, and by failing to maintain adequate records as a basis for such pricing claims.

After acceptance of an agreement continuing consent order, the hearing examiner made his initial decision and order to cease and desist which became on May 13 the decision of the Commission.

The order to cease and desist is as follows:

It is ordered, That Malvin & Shafran, Inc., a corporation, and its officers, and Myron H. Malvin and Abraham Shafran, individually and as officers of said corporation; and respondents' representatives, agents and employees, directly or through any corporate or other device, in connection with the introduction or manufacture for introduction into commerce, or the sale, advertising, or offering for sale, in commerce, or the transportation or distribution, in commerce, of fur products, or in connection with the manufacturing for sale, sale, advertising, offering for sale, transportation, or distribution of fur products which are made in whole or in part of fur which has been shipped and received in commerce, as "commerce", "fur" and "fur product" are defined in the Fur Products Labeling Act, do forthwith cease and desist from:

1. Falsely or deceptively invoicing fur products by:

A. Failing to furnish invoices to purchasers of fur products showing:

(1) The name or names of the animal or animals producing the fur or furs contained in the fur products as set forth in the Fur Products Name Guide and as prescribed under the Rules and Regulations;

(2) That the fur product contains or is composed of used fur, when such is the fact;

(3) That the fur product contains or is composed of bleached, dyed or otherwise artificially colored fur, when such is the fact;

(4) That the fur product is composed in whole or in substantial part of paws, tails, bellies, or waste fur, when such is the fact;

(5) The name and address of the person issuing such invoice;

(6) The name of the country of origin of any imported furs contained in a fur product;

(7) The item number or mark assigned to a fur product.

B. Setting forth information required under section 5(b)(1) of the Fur Products Labeling Act and the rules and regulations promulgated thereunder in abbreviated form.

2. Falsely or deceptively advertising fur products through the use of any advertisement, representation, public announcement, or notice which is intended to aid, promote or assist, directly or indirectly, in the sale, or offering for sale of fur products, and which:

A. Represents directly or by implication that the regular or usual price of any fur product is any amount which is in excess of the price at which respondents have usually and customarily sold such products in the recent regular course of business.

3. Making price claims and representations of the type referred to in Paragraph 2A above, unless there are maintained by respondents full and adequate

records disclosing the facts upon which such claims or representations are based.

By "Decision of the Commission", etc., report of compliance was required as follows:

It is ordered, That the above-named respondents shall within (60) days after service upon them of this order, file with the Commission a report in writing, setting forth in detail the manner and form in which they have complied with the order to cease and desist.

Issued: May 13, 1959.

In the Matter of Willard W. Rogers and Dean L. Wilde, Individually and as Copartners Trading as Business Buyers Service

This proceeding was heard by a hearing examiner on the complaint of the Commission charging a partnership in Sioux Falls, S. Dak., with obtaining real estate listings and charging inflated fees through such misrepresentations as those in the order below set forth.

After acceptance of an agreement for a consent order, the hearing examiner made his initial decision and order to cease and desist which became on May 13 the decision of the Commission.

The order to cease and desist is as follows:

It is ordered, That respondents Willard W. Rogers and Dean L. Wilde, individually and as copartners trading as Business Buyers Service, or under any other name, and respondents' agents, representatives and employees, directly or through any corporate or other device, in connection with the offering for sale, or sale of advertising in newspapers or in any other advertising media, or of other services or facilities in connection with the offering or listing for sale, selling, buying or exchanging of business or any other kind of property, in commerce, as "commerce" is defined in the Federal Trade Commission Act, do forthwith

cease and desist from representing directly or by implication:

1. That the respondents, to induce persons to enter into contracts, have purchasers interested in buying a specific property;

2. That any specific property will be sold through the efforts of respondents;

3. That the property sought to be listed is underpriced, or that the asking price should be increased, unless the fee charged by respondents is based upon the original asking price;

4. That any specific property will be sold at such increased prices through the efforts of respondents;

5. That respondents will advertise listed property by any means or to any extent that is not in accord with the facts;

6. That respondents check the financial and credit ratings or otherwise "screen" prospective buyers before submitting them to the prospective seller, provided, however, that this shall not be construed to prohibit respondents from representing to the public that they have available for the services of their clients a well-established national credit reporting company from which the clients can receive a credit report upon application to the respondents, when such is the fact.

By "Decision of the Commission", etc., report of compliance was required as follows:

It is ordered. That the respondents herein shall within sixty (60) days after service upon them of this order, file with the Commission a report in writing setting forth in detail the manner and form in which they have complied with the order to cease and desist.

Issued: May 13, 1959.

Title 41—PUBLIC CONTRACTS

Chapter I—Federal Procurement Regulations

PART 1-16—PROCUREMENT FORMS

Request for Quotations

Add new Subpart 1-16.2, to read as follows:

Subpart 1-16.2—Forms for Negotiated Supply Contracts

| | |
|------------|--|
| Sec. | Scope of subpart. |
| 1-16.200 | Request for Quotations (Standard Form 18). |
| 1-16.201-1 | Form prescribed. |
| 1-16.201-2 | Small procurements (\$2,500 or less). |
| 1-16.201-3 | Procurements in excess of \$2,500. |
| 1-16.201-4 | Legal effect of quotations. |
| 1-16.201-5 | Reproduction and availability of form. |

Subpart 1-16.2—Forms for Negotiated Supply Contracts

§ 1-16.200 Scope of subpart.

This subpart prescribes forms for use in procuring supplies or services (excluding construction) by negotiation. Illustrations of these forms are contained in Subpart 1-16.9.

§ 1-16.201 Request for Quotations (Standard Form 18).

§ 1-16.201-1 Form prescribed.

Standard Form 18 (for illustration of form, see section 1-16.901-18) is prescribed to obtain price, delivery, and related information from suppliers in accordance with this section. Standard Form 36 (Continuation Sheet) may be used with the Request for Quotations form when additional space is needed.

§ 1-16.201-2 Small procurements (\$2,500 or less).

When written quotations are solicited for small purchases (\$2,500 or less) pursuant to section 1-3.603-1(d), Standard Form 18 shall be used, except in special cases where, for cogent reasons, agency needs require that firm offers be obtained.

§ 1-16.201-3 Procurement in excess of \$2,500.

Standard Form 18 is authorized for use in negotiated procurements in excess of \$2,500 where a written, informational quotation is desired. The form is particularly usable where it appears reasonably certain that the procurement will be consummated by (a) a fixed-price contract involving extensive negotiation, or (b) a cost reimbursement type contract. The form may also be used, where appropriate, to obtain price information for planning purposes in either negotiated or advertised procurements, pursuant to section 1-1.314.

§ 1-16.201-4 Legal effect of quotation.

(a) A quotation submitted on Standard Form 18 is informational in character and is not to be construed as a legal offer which can be accepted by the Government to form a binding contract. Accordingly, issuance by the Government of a purchase order (or other document) pursuant to a supplier's quota-

tion on Standard Form 18 does not constitute acceptance.

(b) Such purchase order is legally an offer by the Government to the supplier to buy certain goods or services upon specified terms and conditions. A contract comes into being when the supplier accepts the offer. Where appropriate, the supplier should be requested to indicate acceptance of the purchase order by notification to the Government, preferably in writing. In other circumstances, the supplier may indicate acceptance by furnishing the supplies or services ordered or by proceeding with the work to the point where substantial performance has occurred in lieu of notification to the Government.

(c) Under the procedure of obtaining a quotation and issuing a purchase order, the Government may, at any time before acceptance occurs, withdraw, amend, or cancel its offer, and thereby minimize disputes and administrative costs. In such cases, a written notice should be given the supplier. Since substantial

performance by the supplier may constitute an acceptance of the purchase order, a notice of its cancellation should not be issued on the assumption that the Government is not liable. Nonacceptance in fact should be verified.

§ 1-16.201-5 Reproduction and availability of forms.

Standard Form 18 is available from GSA stores depots in cut sheets and die-impressed stencils. Special printings of the form to omit the vertical lines (for listing of supplies and services, unit, etc.) is authorized. Also, the use of offset and hectograph masters, and make-up in carbon-interleaved pads or sets, is authorized.

Subpart 1-16.9—Illustrations of Forms

Add new section 1-16.901-18, to read as follows:

§ 1-16.901-18 Standard Form 18: Request for Quotations.

Effective date. Subpart 1-16.2 and section 1-16.901-18 are effective December 1, 1959. However, Standard Form 18 and related procedures may be put into effect as soon as the form is available.

SECURITIES AND EXCHANGE COMMISSION

[17 CFR Part 249]

FORMS FOR CURRENT REPORTS

Notice of Proposed Rule Making

Notice is hereby given that the Securities and Exchange Commission has under consideration the following proposed amendments to Form 8-K which is the form prescribed for current reports filed pursuant to sections 13 and 15(d) of the Securities Exchange Act of 1934.

Item 1. Item 1, which calls for information as to changes in control of the registrant, would be amended to require information as to the pledging or hypothecation of securities of the registrant or any of its affiliates by any parent of the registrant and as to certain changes in the board of directors. The amendment would change the caption of the item to read as set forth below and would add the following new paragraphs:

Item 1. Changes in Control or Management of Registrant.

(a) and (b)—No change.

(c) If any parent of the registrant, or any person in connection with becoming such a parent, has pledged or hypothecated any securities of the registrant or any of its affiliates, give the name of such parent or person, the date of the transaction, the title and amount of securities involved, the name of the person with whom they were pledged or hypothecated, the amount of the indebtedness, the name of the person or persons for whose benefit the securities were pledged or hypothecated and a brief outline of the terms and conditions of the pledge or hypothecation.

(d) If any person has become a director of the registrant otherwise than by election by security holders, state his name, the date on which he became a director and the nature of any other material relationship to the registrant or any of its affiliates and describe the contract or arrangement pursuant to which he became a director of the registrant.

(e) If any person has ceased to be a director of the registrant otherwise than by death or expiration of his term of office, give his name, the date on which he ceased to be a director and the reason therefor, if known to the registrant.

Item 2. Item 2, which calls for information as to the acquisition or disposi-

tion of assets, would be amended to clarify its applicability to certain transactions, and to require certain additional disclosures deemed of material importance to an issuer's security holders. The item as proposed to be amended reads as follows:

Item 2. Acquisition or Disposition of Assets. If the registrant or any of its subsidiaries has acquired or disposed of a significant amount of assets, otherwise than in the ordinary course of business, furnish the following information:

(a) The date and manner of acquisition or disposition and a brief description of the assets involved, the book value of the assets and the nature and amount of consideration given or received therefor, the principle followed in determining the amount of such consideration, the nature and amount of any commissions paid in connection with the transaction, the identity of the persons from whom the assets were acquired or to whom they were sold, the identity of each person who received a commission, and the nature of any material relationship between such persons and the registrant or any of its affiliates, any director or officer of the registrant or any of its affiliates, any security holder who owns of record, or is known by the registrant to own beneficially, more than 10 per cent of the outstanding voting securities of the registrant or any of its affiliates, or any associate of any such director, officer or security holder.

(b) If any assets so acquired by the registrant or its subsidiaries constituted plant, equipment or other physical property, state the nature of the business in which the assets were used by the persons from whom acquired and whether the registrant intends to continue such use or intends to devote the assets to other purposes, indicating such other purposes.

Instructions. 1. No information need be given as to (i) any transaction between any person and any wholly-owned subsidiary of such person, i.e., a subsidiary substantially all of whose outstanding voting securities are owned by such person and/or its other wholly-owned subsidiary; (ii) any transactions between two or more wholly-owned subsidiaries of any persons; or (iii) the redemption or other acquisition of securities from the public, or the sale or other disposition of securities to the public, by the issuer of such securities.

2. The term "acquisition" includes every purchase, acquisition by lease, exchange, merger, consolidation, succession or other acquisition; provided that such term does not include the construction or development of property by or for the registrant or its subsidiaries or the acquisition of materials for such purpose. The term "disposition" includes every sale, disposition by lease, exchange, merger, consolidation, mortgage, or hypothecation of assets, assignment, whether for the benefit of creditors or otherwise, abandonment, destruction, or other disposition.

3. The execution of a contract for an acquisition or disposition shall be deemed an acquisition or disposition for the purposes of this item. A timely report shall be made of the execution of such a contract, of each material amendment of, or agreement supplemental to, such a contract and of the cancellation in whole or in part of such a contract, and a further report shall be made of the consummation of the acquisition or disposition pursuant to the contract. The acquisition or disposition of securities shall be deemed the indirect acquisition or disposition of the assets of the issuer of such securities if it results in the acquisition or disposition of control of such issuer.

4. An acquisition or disposition shall be deemed to involve a significant amount of

assets (i) if the book value of such assets as shown by the latest balance sheet, the amount paid or received therefor or the fair value of the stock or other consideration for such assets, exceeded 10 per cent of the total assets of the registrant and its consolidated subsidiaries prior to the transaction, (ii) if it involved the acquisition or disposition of control of a business whose gross revenues for its last fiscal year exceeded 10 percent of the aggregate gross revenue of the registrant and its consolidated subsidiaries for the registrant's last fiscal year or (iii) regardless of the percentages in (i) or (ii), if under the circumstances of the particular case, including the nature of the acquisition or disposition or the relationship to the registrant of the parties involved, the acquisition or disposition is of material importance to investors.

5. The information called for by this item shall be given as to each transaction or series of related transactions involving a significant amount of assets within the meaning of Instruction 4.

6. Where assets are acquired or disposed of through the acquisition or disposition of control of a person, the person from whom such control was acquired or to whom it was disposed of shall be deemed the person from whom the assets were acquired or to whom they were disposed of, for the purposes of this item. Where such control was acquired from or disposed of to not more than five persons, their names shall be given, otherwise it will suffice to identify in an appropriate manner the class of such persons.

7. Attention is directed to the requirements at the end of the form with respect to the filing of financial statements for businesses acquired.

Item 3. Item 3 calls for information as to the institution or termination of material legal proceedings. It is proposed to amend paragraph (b) of the item to require information with respect to materially important judgments entered by the court or any materially important settlement or plan of reorganization, readjustment or succession submitted to or approved by the court or authorized by the court to be submitted to security holders for their approval. The amended paragraph (b) would read as follows:

(b) If any such proceeding previously reported has been terminated, any materially important judgment entered in the proceeding or any materially important settlement or plan of reorganization, readjustment or succession has been submitted to or approved by the court or authorized by the court to be submitted to security holders for approval, state the date and nature of such action and the general effect thereof with respect to the registrant and its subsidiaries.

Item 7. Item 7 requires the reporting of substantial increases in the amount of outstanding securities of a registrant. It is proposed to amend the item and the instructions thereto to require similar information as to increases in securities of subsidiaries and increases in certain short term indebtedness. An amendment to the instructions would require more explicit information where it is claimed that the increase in securities was due to a private offering claimed to be exempt from registration under section 4(1) of the Securities Act of 1933. The amended item and instructions would read as follows:

Item 7. Increase in Amount of Outstanding Securities or Indebtedness. If the amount of outstanding securities or short

term indebtedness of the registrant or its subsidiaries has been increased through the issuance of any new class of securities or indebtedness or through the issuance of any additional securities or indebtedness of a class outstanding and the aggregate amount of all such increases not previously reported exceeds 5 percent of the outstanding securities of the class or short term indebtedness, furnish the following information:

(a) Title of class, the amount outstanding as last previously reported, and the amount presently outstanding (as of a specified date).

(b) A brief description of the transaction or transactions resulting in the increase and a statement of the aggregate net cash proceeds or the nature and aggregate amount of any other consideration received or to be received by the registrant.

(c) The names of the principal underwriters, if any, indicating any such underwriters which are affiliates of the registrant.

(d) A reasonably itemized statement of the purposes, so far as determinable, for which the net proceeds have been or are to be used and the approximate amount used or to be used for each such purpose.

(e) A statement as to whether or not such securities were registered under the Securities Act of 1933; if not, an indication of the exemption claimed and the facts relied upon to make the exemption available.

(f) If the securities were capital shares, a statement of the amount of the proceeds credited or to be credited to any account other than the appropriate capital share account.

Instructions. 1. This item does not apply to notes, drafts, bills of exchange or bankers' acceptances issued in the ordinary course of business which mature not later than one year from the date of issuance and which have an effective rate of interest less than 12 percent per annum. No report need be made where the amount not previously reported, although in excess of 5 percent of the amount outstanding, does not exceed \$50,000 face amount of indebtedness or 1,000 shares or other units.

2. This item includes the reissuance of treasury securities and securities held for the account of the issuer thereof. The extension of the maturity date of indebtedness shall be deemed to be the issuance of new indebtedness for the purpose of this item. In the case of such an extension, the percentage shall be computed upon the basis of the principal amount of the indebtedness extended.

3. If an exemption from registration under the Securities Act of 1933 is claimed under the second clause of section 4(1) of that Act, state the number of offerees and the number of purchasers, the name, address and relationship to the registrant of each purchaser of more than 5 percent of the total amount claimed to be so exempt, and the basis for the registrant's claim that a public offering was not involved.

Item 9A. It is proposed to add to the form a new Item 9A which would call for information in regard to the interest of the management and certain insiders in material transactions to which the registrant or its subsidiaries are a party. The proposed new item would read as follows:

Item 9A. Interest of Management and Others in Certain Transactions. -If any of

the following persons has had any material interest, direct or indirect in any material transaction to which the registrant or any of its subsidiaries was a party, briefly describe such interest and, where practicable, state the approximate amount thereof:

(a) Any director or officer of the registrant;

(b) Any person who owns of record, or is known by the registrant to own beneficially, more than 10 percent of the outstanding voting securities of the registrant; or

(c) Any associate of any of the foregoing persons.

Instructions. 1. Include the name of each person whose interest in any transaction is described and the nature of the relationship by reason of which such interest is required to be described. Where it is not practicable to state the approximate amount of the interest, the approximate amount involved as to the transaction shall be indicated.

2. As to any transaction involving the purchase or sale of assets by or to the registrant or any subsidiary, otherwise than in the ordinary course of business, state the cost of the assets to the purchaser and the cost thereof to the seller if acquired by the seller within two years prior to the transaction.

3. This item does not apply to any interest arising from the ownership of securities of the registrant where the security holder receives no extra or special benefit not shared on a pro rata basis by all other holders of the same class.

4. No information need be given under this paragraph as to any remuneration or other transaction required to be reported in an annual report on Form 10-K in response to Item 7 or 8 of that form.

5. No information need be given under this item as to any transaction or any interest therein where:

(i) the rates or charges involved in the transaction are fixed by law or determined by competitive bids;

(ii) the interest of the specified person in the transaction is solely that of a director of another corporation which is a party to the transaction;

(iii) the transaction involves services as a bank depository of funds, transfer agent, registrar, trustee under a trust indenture, or other similar services;

(iv) the interest of the specified person does not exceed \$30,000; or

(v) the transaction does not involve remuneration for services, directly or indirectly, and (A) the interest of the specified person arises from the ownership individually and in the aggregate of less than 10 percent of any class of equity securities of another corporation which is a party to the transaction, (B) the transaction is in the ordinary course of business of the registrant or its subsidiaries, and (C) the amount of such transaction or series of transactions is less than 10 percent of the total sales or purchases, as the case may be, of the registrant and its subsidiaries.

6. Information shall be furnished under this item with respect to transactions not excluded above which involve remuneration, directly or indirectly, to any of the specified persons for services in any capacity unless the interest of such persons arises solely from the ownership individually and in the aggregate of less than 10 percent of any class of

equity securities of another corporation furnishing the services to the registrant or its subsidiaries.

7. This item does not require the disclosure of any interest in any transaction unless such interest and transaction are material.

Instructions as to exhibits. The instructions as to exhibits would be amended to require the filing of contracts and other documents which are pertinent to the matters described in answer to the amended items of the form. The instructions as so amended would read as follows:

Exhibits. Subject to the rules as to incorporation by reference, the following documents shall be filed as exhibits to this report:

1. Copies of the contract, plan or arrangement pursuant to which any person named in answer to Item 1 has become or ceased to be a parent of the registrant, has pledged or hypothecated securities of the registrant or any of its affiliates, or has become or ceased to be a director of the registrant, as described in that item. Include copies of any collateral contract or arrangement providing for options, bonuses, shares in profits consultation or advisory compensation or similar benefits.

2. Copies of any contract, plan or arrangement for any acquisition or disposition described in answer to Item 2, including any plan of reorganization, readjustment, exchange, merger, consolidation or succession in connection therewith.

[Dissolution Order 125]

CENTRAL & EASTERN CORP.

Whereas, by virtue of the issuance of Vesting Order 9670, dated August 19, 1947 (12 F.R. 5828), the Attorney General of the United States (hereinafter referred to as "Attorney General") vested all of the issued and outstanding capital stock of The Central & Eastern Corporation (hereinafter sometimes referred to as the "Corporation"), a corporation organized under the laws of the State of New York, said stock having been found to be beneficially owned by Berliner Handels-Gesellschaft K. G., of Berlin, Germany; and

Whereas, by Vesting Order 9670 there was also vested in the Attorney General the interest of said Berliner Handels-Gesellschaft K. G., in the Corporation comprised of certain claims of Berliner Handels-Gesellschaft K. G., represented on the books and records of the Corporation as liabilities payable in the agree-

gate amount of \$116,757.02 as of January 31, 1944, and all accruals thereto; and

Whereas, the Corporation has been substantially liquidated,

Now therefore, under the authority of the Trading with the Enemy Act, as amended, and Executive Orders 9095, as amended, and 9788, and pursuant to law, the undersigned, after investigation:

1. Finding that the assets carried on the books and records of the Corporation consist of the following:

| | 123,835.80 |

2. Finding that all known claims against the Corporation have been paid (other than those represented by the vested obligations referred to above aggregating \$116,757.02), except such claims as the Attorney General may have for monies advanced or services rendered to or on behalf of the Corporation by the Office of Alien Property, and claims by the following:

| | |
|------------------------------------|----------|
| (a) Weil, Gotshal & Manges, New | |
| York----- | \$767.26 |
| (b) Aaron Fuchs & Co., New York--- | 300.00 |
| (c) Henry Ludeke, New York----- | 600.00 |

and

3. Finding (a) that the Corporation, prior to the issuance of said Vesting Order 9670, was beneficially wholly owned by and under the domination of, and operated as the agent of Berliner Handels-Gesellschaft K. G., and (b) that the aforesaid vested liabilities aggregating \$116,757.02 were in the nature of capital contributions to the Corporation, and determining that it is equitable and in the national interest to subordinate said vested claims to the claims of other claimants against or creditors of the Corporation; and

4. Finding that the assets described above as "American Freigabe 5 percent certificates" and "German (Konversionskasse) 4 Percent Funding Bonds—Sterling" are or were last known to be held by Berliner Handels-Gesellschaft K. G., in the Soviet Sector of Berlin, Germany, are not presently available to the Corporation; and

5. Having determined that it is in the national interest of the United States that the Corporation be dissolved, that its affairs be wound up and that its assets be distributed, and a Certificate of Dissolution of the Corporation having been issued by the Secretary of State of the State of New York on November 23, 1948, and duly published in accordance with the statutes of that state;

Hereby orders that the officers and directors of the Corporation (to wit: Stanley B. Reid, President and Director, and Lewis M. Reed, Treasurer and Director, and their successors, or any of them) wind up the affairs of The Central & Eastern Corporation and distribute the assets of the Corporation coming into their possession as follows:

(a) They shall first pay all current expenses and reasonable and necessary

charges, if any, of dissolving and winding up of the affairs of the Corporation; and

(b) They shall then pay all known federal, state and local taxes and fees, if any, owed by or accruing against the Corporation; and

(c) They shall then pay each of the liabilities set forth in paragraph 2(a), (b), and (c) above; and

(d) They shall then pay over, assign and deliver to the Attorney General all remaining assets or property of the Corporation of whatever kind or nature (including any after-discovered assets or property and all claims and causes of action of whatever kind or nature), the same to be applied first, in satisfaction of such claim as the Attorney General may have for monies advanced or services rendered to or on behalf of the Corporation; second, in payment of the vested liabilities aggregating \$116,757.02; and third, as a liquidating distribution of assets to the Attorney General as sole stockholder of the Corporation; and

Further orders, that nothing herein set forth shall be construed as prejudicing the rights under the Trading with the Enemy Act, as amended, of any person who may have a claim against the Corporation to file such claim with the Attorney General against any assets or property received by the Attorney General hereunder: *Provided, however*, That nothing herein contained shall be construed as creating additional rights in such person; *And provided further*, That any such claim against said Corporation shall be filed with or presented to the Attorney General within the time and in the form and manner prescribed for such claims by the Trading with the Enemy Act, as amended, and applicable regulations and orders issued pursuant thereto; and

Further orders, that all actions taken and acts done by the officers and directors of The Central & Eastern Corporation pursuant to this Order and the directions contained herein shall be deemed to have been taken and done in reliance on and pursuant to section 5(b)(2) of the Trading with the Enemy Act, as amended (50 U.S.C.
